Subject: Chat with Caleb Pritchard
From: Caleb Pritchard <cpritchard2001@gmail.com>
To: barriticus@gmail.com

2:43 PM **Caleb**: "Word Album" or "World Album"?
me: word album
Caleb: Fix it, dumbass.
me: a-okay!

21 minutes

3:05 PM **Caleb**: "The nation's television networks remained under Kremlin control, and independent journalists critical of Putin and his allies began receiving unusually high numbers of death threats and."

20 minutes

3:26 PM **me**: already fixed it
thanks though
Caleb: Fag.
"On one side, you're going to see the trial of Saddam Hussein. On the other side, you're going to see the trial of the Iraqi people."
3:27 PM That can't be right!
Did he just say that the Iraqi **people** are going to be on trial?!
But, wait. I'll keep reading...
"That's right, the Iraqi people will also be on trial "
3:28 PM **me**: he does constructions like that about three times that I have seen
I'll show you in a sec

5 minutes

3:33 PM **Caleb**: Lacks cohesion.

13 minutes

3:47 PM **me**: all together?

8 minutes

3:56 PM **Caleb**: Can something lack cohesion in parts?
me: yes
a portion can lack cohesion within itself
anyway, i don't believe in cohesion
Caleb: Well, it's cohesive in that it's primarily regarding Tom Friedman.
3:57 PM But it jumps from Russia to Iraq to the Mideast to China, etc.
me: i know
that's the thematic
it's like a thriller!
seriously, though
Caleb: I didn't really know we were done with Russia until well into the Middle East parts.
3:58 PM **me**: the alternative is to berate the reader about Russia for like 4000 words

straight
ah, I see
I
I
damnit
I will put in something to signify that Russia is over
actually, I'll put in more stuff about Russia at the end
like whatshisname being killed by polonium

3:59 PM **Caleb**: Well, you've also got the bit about the frameworks, etc., that serve as the most viscerally damaging point of attack.

4:00 PM But it's buried in between all of these seemingly random instances of his general blundering-ness.
At least, that was my impression.

4:01 PM And who am I but merely one more citizen of Shamrock, Texas?

4:02 PM **me**: well, I can still change it up

4:03 PM but that version will go out tomorrow to buyers and whatnot
along with an introductory chapter that's pretty bitchin'

Caleb: Hm.
Buyers, beware!

me: and an excerpt from my awesome assault on William Bennett
lock up your daughters!

4:04 PM **Caleb**: Seriously, give me a thousand dollars.

4:08 PM **me**: sure, just as soon as I get done paying for Straub's new braces and school uniforms and innoculations

4:09 PM **Caleb**: THE H1N1 VACCINE IS A....
uhm.
...something bad.
Scam or something.
It's bad and stuff.

4:10 PM But, now look. Obama-sama didn't ship out enough of it.
They're terrorin' us!

4:11 PM **me**: damn socialized medicine
wait, is someone complaining about lack of publicly-funded innoculations
?

4:12 PM DID YOU KNOW THAT THE NATIONAL SOCIALIST PARTY WAS LIBERAL?
IT SAYS SOCIALIST RIGHT THERE!
AND THE DPRK IS DEMOCRATIC THEREFORE

Caleb: More like the Democratic Party is DPRK!!

4:13 PM **me**: HA HA YEAH!

Caleb: Yeah, so my grandpa has lung cancer and gets chemo treatments once every two weeks or so.

me: BOB DOLE! BOB DOLE!

Caleb: and each treatment is followed up by some sort of white blood cell/platelet shot.
4:14 PM that costs somewhere in the area of $4,500.
Fully subsidized by Medicare.
4:15 PM I still don't know anything about this healthcare nonsense story, having myself only read one complete article on the issue in the past two months.
4:16 PM But I know that I actively want my grandparents to die.
4:17 PM Especially before the death tax is reinstated.
Zap.
4:21 PM **me**: lol death tax
you won't be able to call it that after the FAIRNESS DOCTRINE IS PUT IN FORCE
I get National Review again
4:22 PM **Caleb**: Climategate.
me: remember that humor column by Rob Long?
With his little picture?
the little drawing of him?
Anyway, this week he TOTALLY PWNS Khalid Sheik Mohammaed
4:23 PM **Caleb**: Linkage, bro.
Linkage.
me: print edition, faggot
4:24 PM you're in Shamrock, I'm in Brooklyn, you should be able to get your own copy
I have to actually subscribe or go all the way to Manhattan
so, you know
go to one of the bookstores
Caleb: National Review may actually be too East Coast elitist for Shamrock.
me: one of the many bookstores or newstands
yeah, Catholic, too
Caleb: My grandma gets a bunch of stuff in the mail.
4:25 PM Mainly mailers from Ollie North and Newt Gingrich and SarahPAC, etc.
But she also gets Weekly Standard and, my fave, Human Events.
4:26 PM **me**: sweeeet
Caleb: Surprisingly, no one has yet caught on to the fact that I'm a nigger-loving faggot commie.
4:27 PM Or commie faggot.
Whichever.
me: homophobic faggot
Caleb: I need to get out of here.
Help me.
4:28 PM I've got a car.
me: no, STEAL a car
i mean rob a starbucks
ON TOP OF A MOUNTAIN

Caleb: Seriously.
I've got a car IN MY NAME.
me: well, sell it and fly up
Caleb: Give me money and a cover story.
4:29 PM http://nrd.nationalreview.com/article/?q=MGI0NzcxY2E1ZjY4OTBmMjU5NmM0M2UyNzRlZDRkYWY=
Zap.
I can use the car to make money.
There'll be no selling of the car.
4:30 PM **me**: My room is going condo
Caleb: Or at the very least, I can sell when I get up there.
How's that?
me: bring me $500 and you can live in a corner of it forever
4:31 PM **Caleb**: That's a terrible idea.
me: REALLY?
4:32 PM actually, how about this
sell add space for Scallywag and Vagabond
you can do it from there for now
Andy's having a bit of luck
Caleb: I can't do that.
4:33 PM **me**: yeah you can
Caleb: No, I can't.
me: then die in a small town
Caleb: I DON'T KNOW WHAT **ADD** SPACE IS, BARRETT!!!!
me: oh snap!
4:34 PM **Caleb**: Which is to say, I can probably sell ad space for that Scalavogs and Baggywands thing.
4:36 PM **me**: yeah, andy is on the phone in the other room sealing the deal with the guy who owns Goodbye Blue Monday
4:37 PM **Caleb**: What do I need to know?
Is there some sort of sales packet?
me: we'll get you some info
4:39 PM **Caleb**: In the meantime, I'm gonna make myself a hardcore XTML programmer-internets-geek.
me: I see
try Python
4:40 PM **Caleb**: First things first.

13 minutes

4:54 PM **Caleb**: Oh, hey.
You called me.
To offer me thousands of dollars, I presume...?
4:57 PM **me**: yes

4:58 PM **Caleb**: Oh.
Oh good.

7 minutes

5:06 PM **Caleb**: http://www.thedailybeast.com/blogs-and-stories/2009-12-06/fitting-in-at-fox/?cid=hp:vertical:l

5:10 PM **me**: let me know if you see any war on christmas nonsense
gonna do a piece on it for Vanity Fair

5:11 PM **Caleb**: I can do that.

44 minutes

5:55 PM **Caleb**: Fistgate.
http://gatewaypundit.firstthings.com/2009/12/fistgate-barack-obamas-safe-schools-czar-promoted-fisting-to-14-year-olds/

9 minutes

6:04 PM **Caleb**: Also, it's been unusually cold in Shamrock the past few days.
So, you know.
Climategate.
